

CAD IT WINS THE TENDER FOR THE SUPPLY OF “FINANCIAL AREA” AND RELATIVE SERVICES TO POSTE ITALIANE S.P.A.

The value of the CAD IT Group's supply is Euro 9.6 million.

**The supply, and therefore the financial impact on the CAD IT Group balance,
will have a duration of 36 months.**

CAD IT, leader in the Italian financial software market and quoted in the STAR segment of Borsa Italiana, hereby announces that it has won, as bidder within an RTI (Raggruppamento Temporaneo di Impresa), the tender for the supply of an applicative platform for the management of procedures in the “*Third-party Investment Services and Property*” and relative services for Poste Italiane S.p.A.

The project foresees the supply of the licence to use the CAD IT “Financial Area” platform and relative start-up services, application management and ordinary maintenance.

Within the total value of the tender, which stands at about **Euro 10 million**, the CAD IT Group will receive Euro 9.6 million of the revenues. The duration, and consequently the financial impact that it will give rise to, is for **36 months** as of the date of contract stipulation.

With Poste Italiane, CAD IT can count another important Financial Institution among its references.

Giuseppe Dal Cortivo, Chairman and CEO of CAD IT, said, “This success confirms the qualitative level of CAD IT Group's Financial Area. It is yet further incentive to continue with our strategy to invest in research and development and expand nationally and internationally.”

THE CAD IT GROUP

CAD IT is at the head of a group that represents one of the most dynamic organisations in the Italian Information Technology sector.

The group aims its operations at the banking-insurance sector, the business world and public administration, and has been offering software solutions, maintenance, customizing, integration and other correlated services, from application management to outsourcing and consulting to training for over 30 years.

The CAD IT Group, with head offices in Verona, operates in Italy through its own branches and associated companies in Milan, Rome, Florence, Bologna, Prato, Padua, Mantua and Trento.

CAD IT is leader in the Italian software market for the banking sector with its main product, Financial Area, a programme which completely manages all functions connected to the negotiation, settlement and administration of security transactions, debentures, derivatives (in any currency) and adopted by the majority of Italian banking outlets.

In addition, the Group boasts a long-standing activity in the industrial sector and the capacity to offer solutions for e-business, credit and industrial companies in constant evolution.

Solutions for Public Administration is the most recent sector but one which capitalises the Group's traditional skills, such as its twenty-year experience in the development of systems for the computerisation of public bodies.
