In relation to participation and voting at the Shareholders' Meeting, it is hereby specified that:

- in accordance with article 83 sexies of Leg. Dec. 58/1998 (hereinafter "TUF") and with article 10 of the Company Bylaw, the validity of intervention at the Meeting and the right to vote is certified by a communication made to the Company by the broker in accordance with its accounts, in favour of the person having the right to vote at the end of the seventh accounting day of open market prior to the date set for the meeting, i.e. 19<sup>th</sup> April 2016 (the so-called "*record date*"). Operations on accounts after such date do not count for the purposes of the attribution of the right to vote at the Meeting. Notifications from the broker must reach the Company within the end of the third accounting day of open market prior to the date set for the meeting, i.e. 25<sup>th</sup> April

Said delegation can be sent by registered post to the Company's head office address or by certified e-mail to [investor.cadit@registerpec.it](mailto:investor.cadit@registerpec.it).

The representative can, in lieu of the original, deliver or transmit, even by digital means, a copy of the delegation stating, under his/her own responsibility, that said copy conforms to the original and giving the identity of the delegator;

- the Company has not designated representatives to whom the shareholders can confer a delegation with voting instructions on all or some of the items on the agenda;
- voting procedures by post or electronic means are not allowed.

In relation to the items on the Shareholders' Meeting agenda, it is hereby specified that:

- in accordance with TUF article 127-ter and Company Bylaw article 8, each person entitled to vote can propose questions in relation to the items on the agenda, even before the Meeting, sending them by registered post to the Company head office or by certified e-mail to [investor.cadit@registerpec.it](mailto:investor.cadit@registerpec.it) within the end of the second open market day prior to the date set for the Shareholders' Meeting, i.e. by 25<sup>th</sup> April 2016. The questions will be answered at the latest during the Meeting itself and the Company has the right to provide one answer to questions on the same content.

### **Additions to the agenda and new deliberation proposals**

In accordance with TUF article 126-bis and Company Bylaw article 8, those Shareholders who, also jointly, represent at least one fortieth of the Company capital, can ask, within ten days after summons to the meeting has been published, for other items to be added to the agenda, indicating the topics they wish to be discussed in their request or submit proposals on items already on the agenda. The requests, together with the certificate of possession of the above mentioned share, should be made in writing, also by post, and sent to the Company head office by registered post or certified e-mail to [investor.cadit@registerpec.it](mailto:investor.cadit@registerpec.it). In any case, each person entitled to vote may individually submit deliberation proposals during the Shareholders' Meeting. Integrations to the agenda or any proposals on items already on the agenda are published, in the same modalities set for the publication of the notice of summons, at least fifteen days before the day of summons, i.e. within April 13<sup>th</sup> 2016. Further proposals on items already on the agenda are published according to the modalities set by TUF art. 125-ter, paragraph 1, simultaneously with the notice of their submission.

The addition of items on the agenda for Shareholders' Meeting deliberation that regard Board of Directors' proposals or based on a project or a report drafted by the same, different from those listed in TUF article 125-ter, paragraph 1, is not allowed.

The shareholders who require integrations to the agenda should prepare a report indicating the reason for the new items they propose or the reason for their further proposals on items already on the agenda. This report is transmitted to the Board of Directors within the deadline set for the integration request.

The Board of Directors will publish the report, together with any remarks, simultaneously with the publication of the integration notice or the submission, as indicated by TUF article 125-ter, paragraph 1.
